Subject : Clarification of the Operating Result for Quarter 2/2009

To : Managing Director
The Stock Exchange of Thailand

We, Thai Plaspac Public Company Limited (TPAC) would like to clarify the change in operating result for the Quarter 2/2009 in the increased of 20% from the same period of last year as follows:

The company had net profit of Baht 27.17 million in Quarter 2/2009, increased from the net profit of the same period of last year that was Baht 18.93 million, or by 43.53 % due to the factors as follows:

1. The major raw materials' price was not fluctuate from the early of this year untill the end of 2nd quarter made it efficient to cost controlling .
2. Increasing the efficiency, productivity and reduced waste caused by replacing the new high technology machines and equipments.
3. The use of Enterprise Resource Planning Program and Logistics Program to manage the production planning and controlling stock of raw material and finished goods.
4. Reducing of the financial expense cost by decreasing interest rate from financial Institute.

Sincerely yours,

(Mr. Pojsiri Hotarapavanon)
Company's Secretary
